

Educator Training

This one-day professional development workshop prepares classroom teachers and other educators to implement effective puberty education using *Puberty: The Wonder Years*. This unique workshop is designed for up to 40 educators to learn and engage in a range of informative, relevant, and inspiring classroom activities.

The Curriculum

Puberty: The Wonder Years focuses on two main goals:

1. Promoting appreciation and respect for the amazing changes experienced by self and others
2. Equipping young people to postpone sexual intercourse

Puberty: The Wonder Years includes curriculum for three consecutive years for 4th, 5th, and 6th grade students. The lessons are teacher friendly and youth engaging. Teachers are provided with many resources needed to implement the lessons, including family engagement resources, student worksheets, assessment tools, and full-color, animated slides.

Workshop Details

This six-hour workshop prepares educators to implement *Puberty: The Wonder Years* by engaging them in activities that familiarize participants with the curriculum and increase their personal comfort and skills needed to teach puberty education. The facilitator works with the host site to provide publicity materials, training preparation checklist, and other supports to ensure success. By the end of the workshop, each participant will be able to:

- Summarize the content, strategies, and organization of *Puberty: The Wonder Years* lessons for grades 4, 5, & 6.
- Access the Online Teacher Resources.
- Practice setting ground rules, teaching refusal skills, answering questions, and conducting role plays.
- Describe the laws and boundaries that impact teaching puberty education.
- Create a plan to strengthen parent/family involvement.
