

Puberty: the Wonder Years

[Date]

[Grantor Contact Name]
[Grantor Contact Address]

Dear [Grant Contact Name]:

Health 4 Hire, Inc. is pleased to submit this letter of commitment for the [Grant Applicant] application for the [Grant Title and #].

We agree to allow [Grant Applicant] to utilize the *Puberty: The Wonder Years* curriculum to promote evidenced-informed, growth and development education with an abstinence focus for 9-to-12-year-old participants. We understand that [Grant Applicant] will utilize the curriculum in schools and potentially in community organizations. This 4-6th grade curriculum has been used in 33 states and eight other countries since 2015. Evaluation results show statistically significant increases in student knowledge, attitudes, and skills, particularly in their intentions to delay sexual activity.

Curriculum for grades 4, 5, and 6, training for [#] facilitators, student assessment surveys, and student workbooks for about [#] students will cost approximately [\$#]. The curriculum also includes many family engagement resources in English and Spanish.

We are committed to partner with [Grant Applicant] to increase the optimal health and improve future outcomes for adolescents.

Sincerely,

Wendy L. Sellers, RN, MA, FASHA
President, Health 4 Hire, Inc.
