

Frequently Asked Questions

About Purchasing *Puberty: The Wonder Years*

Q: How can I get an estimate for my PO before I place my order for *Puberty: The Wonder Years*?

A: You can get an estimate using one of these three methods:

1. Go through the shopping cart process on the website. At the end, you'll enter your zip code which will calculate your shipping. Enter your shipping address. Select Purchase Order as your method of payment. Then, click "Proceed." On the next page, you will have a "review your order" page that will have all your pricing and products. Print this page. Do Not click "Submit Order," just exit out at this point and you'll have your estimate. When you log back in, your cart will still be there with all your items. Just check out and be sure to upload your Purchase Order when you submit.
2. Use the [Price List](#) and [Budget Worksheet](#) to calculate your costs and decide how many items you will need. Prepare your PO and send it to us at orders@pubertycurriculum.com . Include your tax-exempt form if applicable.
3. Email orders@pubertycurriculum.com with a list of the items you wish to purchase and your mailing address. Attach your tax-exempt form if applicable. We will prepare your estimate and email it to you.

Q: Can I use a purchase order when ordering online?

A: Yes, you can. In the shopping cart checkout process, the payment options will appear at the bottom after you enter your zip code, get rates, and choose your shipping method. You can choose "Pay With PO" and enter your "bill to address." After you click "proceed," there is a link to upload  a pdf copy of your Purchase Order. (If you have multiple items, just upload your PO once.) We will not process your order without a copy of your signed Purchase Order.
